

Awesome Computer Vision Groups

This is a list of computer vision groups from various universities across the world. Groups are categorized based on their geographic location and are listed in alphabetical order. If we have missed a computer vision group, please [send us](#) a link to the group. This list will be updated as we receive information about new groups (Last update: **September 13, 2017**).

North America

1. **Arizona State University** - Center for Cognitive Ubiquitous Computing (CUbiC) |
2. **Arizona State University** - Image, Video, and Usability Lab
3. **Boston University** - Image and Video Computing Group
4. **Brown University** - Computer Vision
5. **California Institute of Technology** - Computational Vision
6. **Carnegie Mellon University** - CI2CV Computer Vision Lab
7. **Colorado State University** - Computer Vision
8. **Columbia University** - Computer Vision Laboratory |
9. **Cornell University** - Computer Vision Group
10. **Dartmouth University** - Visual Learning Group
11. **Duke University** - Duke Robotics Intelligence and Vision
12. **Florida State University** - The Computer Vision Lab
13. **George Mason University** - Computer Vision and Robotics Laboratory
14. **Georgia Institute of Technology** - Vision
15. **Harvard University** - Graphics, Vision & Interaction
16. **Harvard University** - Visual Computing Group
17. **Harvard University** - Visionlab
18. **Indiana University** - Computer Vision lab
19. **John Hopkins University** - Vision Lab
20. **Louisiana State University** - Image Processing & Computer Vision Laboratory
21. **Massachusetts Institute of Technology** - MIT Computer Vision
22. **McGill University** - Center for Intelligent Machines
23. **Michigan State University** - Computer Vision Lab
24. **North Carolina State University** - Image Analysis and Computer Vision
25. **Northeastern University** - Computational Vision Laboratory
26. **Northwestern University** - Computational Vision Group
27. **Pennsylvania State University** - Laboratory for Perception, Action -Cognition
28. **Princeton University** - Princeton Vision and Robotics

29. **Purdue University** - Purdue Robot Vision Lab
30. **Queen's University** - The Robotics and Computer Vision Lab
31. **Rensselaer Polytechnic Institute** - Computer Vision
32. **Rutgers University** - Computer Vision
33. **San Diego State University** - Computer Vision
34. **Simon Frazer University** - Vision and Media Lab
35. **Stanford University** - Stanford Vision Lab
36. **Stony Brook University** - Computer Vision Lab
37. **Syracuse University** - Smart Vision Systems Laboratory
38. **University of Alberta** - Computer Vision and Robotics Research Group
39. **University of Buffalo** - Computer Vision and Information Visualization
40. **University of California, Berkeley** - Berkeley Vision and Learning Center
41. **University of California, Irvine** - Computational Vision at UC Irvine
42. **University of California, Los Angeles** - UCLA Vision Lab
43. **University of California, Riverside** - Visualization and Intellig-Systems Laboratory
44. **University of California, San Diego** - UCSD Computer Vision
45. **University of California, San Diego** - Statistical Visual Computing Lab
46. **University of California, Santa Barbara** - Vision Research Lab
47. **University of California, Santa Cruz** - UCSC Computer Vision Lab
48. **University of Central Florida** - Center for Research in Computer Vision
49. **University of Central Florida** - Computational Imaging Lab
50. **University of Florida** - Laboratory for Computer Vision, Graphics -Medical Imaging
51. **University of Illinois, Chicago** - Robotics
52. **University of Illinois, Chicago** - Machine Vision Lab
53. **University of Illinois, Urbana Champaign** - Computer Vision
54. **University of Illinois, Urbana Champaign** - Computer Vision and Robotic Lab
55. **University of Louisville** - Computer Vision and Image Processing Lab
56. **University of Maryland** - Computer Vision Laboratory
57. **University of Maryland** - Center for Automation Research
58. **University of Massachusetts, Amherst** - Computer Vision Lab
59. **University of Miami** - Underwater Vision and Imaging Lab
60. **University of Michigan** - Michigan Vision and Learning Lab
61. **University of Minnesota** - Digital Technology Center
62. **University of North Carolina, Chapel Hill** - Computer Vision
63. **University of North Carolina, Charlotte** - Computer Vision
64. **University of Ottawa** - VIVA Lab |
65. **University of Rochester** - Center for Visual Science

66. **University of Southern California** - USC Computer Vision
67. **University of Texas, Austin** - UT-Austin Computer Vision Group
68. **University of Tennessee** - Imaging, Robotics and Intelligent Syst-Laboratory
69. **University of Utah** - Utah Robotics Center
70. **University of Virginia** - UVA Vision Group
71. **University of Washington** - Computer Graphics, Vision, Animation and G-Science
72. **University of Waterloo**- Vision and Image Processing Lab
73. **University of Wisconsin, Madison** - Computer Graphics
74. **York University** - Center for Vision Research |
75. **York University** - Vision Lab
76. **York University** - Active and Attentive Vision Lab

Europe

1. **Aristotle University of Thessaloniki** - Artificial Intelligence Information Analysis
2. **Charles III University of Madrid** - Intelligent Systems Lab
3. **Czech Technical University** - Center for Machine Perception
4. **Delft University of Technology** - Computer Vision Lab
5. **Delft University of Technology** - Imaging Physics
6. **Democritus University of Thrace** - Laboratory of Robotics and Automation
7. **Eindhoven University of Technology** - Medical Image Analysis Group
8. **ETH Zurich** - Computer Vision Laboratory
9. **EPFL** - Computer Vision Laboratory
10. **French Institute for Research in Computer Science and Automation (INRIA)**- Perception, Cognition and Interaction
11. **Graz University of Technology** - Institute for Computer Graphics and Vision
12. **Imperial College London** - Imperial CV and Learning Lab
13. **Italian Institute of Technology** - PAVIS |
14. **IT University of Copenhagen** - The Image Group
15. **KTH Royal Institute of Technology** - Computer Vision and Active Perception Lab
16. **KU Leuven** - Processing Speech and Images
17. **Max Planck Institute for Informatics** - Computer Vision and Multimodal Computing
18. **RWTH Aachen University** - Computer Vision Group
19. **RWTH Aachen University** - Institute of Man Machine Interaction |
20. **Technical University Munich** - Computer Vision Laboratory
21. **Trinity College, Dublin** - Graphics, Vision and Visualisation
22. **University of Amsterdam** - Computer Vision
23. **University of Cambridge** - Machine Intelligence Laboratory

24. **University of Castilla-La Mancha** - VISILAB
25. **University of Catania** - Image Processing Laboratory
26. **University of Edinburgh** - CALVIN |
27. **University of Leeds** - Computer Vision
28. **University of Lorraine** - Lorraine Laboratory for Computer Research and Applications
29. **University of Lyon** - Informatics Laboratory in Image and Information Systems
30. **University of Milano-Bicocca** - Imaging and Vision Laboratory
31. **University of Modena and Reggio Emilia** - ImageLab |
32. **University of Oxford** - Torr Vision Group
33. **University of Oxford** - Visual Geometry Group
34. **University of Paderborn** - GET Lab - Cognitive Systems Engineering
35. **University of Twente** - Computer Vision & Biometrics

Australia

1. **The University of Adelaide** - Australian Centre for Visual Technologies

Asia and Middle East

1. **Bilkent University** - RETINA Vision and Learning Group
2. **Ben-Gurion University of the Negev, Beer Sheva** - The Interdisciplinary Computational Vision Laboratory
3. **Hebrew University of Jerusalem** - Computer Vision Lab
4. **Indian Institute of Science** - Computer Vision Lab
5. **Indian Institute of Science** - Video Analytics Laboratory (VAL)
6. **Indian Institute of Technology, Madras** - Image Processing and Computer Vision Lab
7. **Nanyang Technological University** - Computer Vision Laboratory
8. **National University of Singapore** - Computer Vision Laboratory
9. **Technion Israel Institute of Technology** - Vision and Image Sciences Laboratory
10. **Technion Israel Institute of Technology** - Center for Intelligent Systems
11. **Tel Aviv University** Computer Vision
12. **University of Tehran** - Photogrammetry lab
13. **Weizmann Institute of Science** - Computer Vision Lab
